PCBA slaps closure notice on real estate firm unit

STAFF REPORTER

GUWAHATI, Nov. 29: The Pollution Control Board, Assam has slapped a closure and a fine of Rs 54 lakh on an industrial unit of a real estate developer and contractor company here after it was found in violation of pollution control norms.

The unit of Bharatwal Builders Limited at Barapani here was monitored by a joint team of PCBA and GMC, and it was found that the unit was emitting severe pollutants. Further, the hot mix plant was being operated without a proper chimney box mix plant was being released at a very low height.

The unit had been operating without the mandatory installation of emission monitoring facility at the chimney.

Also, hazardous waste like empty containers of chemicals were dumped in the open ground within its premises haphazardly and there were fugitive emissions through leakages from ducts and vents of the hot mix plant, besides release of untreated effluent.

Five "non-compliance violating" pollution control norms, the PCBA has directed closure of the hot mix plant. An environmental compensation of Rs 54 lakh has also been slapped on the firm.

The unit has been directed to submit an action taken report on all pollution control norms like installation of efficient treatment plant, necessary authorisation, dust suppression measures etc. for revocation of the closure notice.
